PROFESSIONAL SUMMARY

"Enthusiastic fast-learning Software Developer seeking an entry-level position to utilize my knowledge of Python and web development. I am committed to delivering quality work, improving my technical skills, and supporting team goals with effective communication and teamwork."

EDUCATION

Malla Reddy University, Hyderabad **Sept 2022 - May 2026**
Bachelor of Technology [Information Technology] **CGPA (8.79)**

SKILLS

- **Programming Skills** - Python
- **Web Development** - HTML, CSS
- **Tools** - Git & GitHub, Vs Code
- **Data Base Management** - MYSQL
- **Operating System** - Linux
- **Soft Skills** - Problem – Solving, Communication, Leadership, Time Management, Team Work

PROJECTS

Emotion-Driven Decision Making Systems **Oct 2023 – June 2024**
Python Project
I contributed myself in the project by doing:

- Developed responsive and interactive front-end interface for emotion recognition system.
- Designed modules to capture facial, voice, and text inputs from users.
- Integrated frontend with backend deep learning APIs for real-time emotion prediction.

Tech Up **Dec 2024 – April 2025**
Web Development
My involvement in the project including performing:

- Designed Frontend using HTML, CSS for user interaction.
- Integrated frontend with backend APIs to ensure seamless functionality.

CERTIFICATIONS

- **Coursera IBM Certification** - **Introduction to Python Basics**
- **NPTEL** - **Cloud Computing Services**
- **Microsoft & LinkedIn Learning** - **Introduction to Artificial Intelligence**
- - **What Is Generative AI?**
- **TCS IQN Certification** - **Introduction to Soft Skills**
- **ICT Academy Infosys** - **Python Web Development**

ACHIEVEMENTS

- Served as Class Representative, acting as a bridge between students and faculty, ensuring smooth communication and coordination.
- Led both Technical and Non-Technical events in University and conducted many programs successfully.
